

## **Lemont Public Library Adopts Cost Savings Measures**

At their June 11 meeting, the Lemont Public Library District Board of Trustees adopted several cost savings measures including a freeze of staff salaries and a temporary suspension of Sunday operating hours. Board President Vytenis Kirvelaitis explained, “The library is experiencing a decrease in revenues as a result of the economic downturn. The Board is reluctantly suspending Sunday hours as a necessary short term measure in order to help maintain a balanced budget. This was a difficult decision for the Board, illustrated by the 4-3 vote on this issue.”

The Library will be closed on Sundays beginning July 5. Sunday hours will resume on September 13.
